

DETAILS OF AOCMF ASIA PACIFIC STARTER FELLOWSHIP PROGRAM

Duration of fellowship: Maximum 8 weeks fellowship along with an AOCMF Course

Stipend: CHF 500 / week (a fellow should bear the AO Course fee, airfare, visa expense, local accommodation, local transportation and all other personal expenses with this stipend)

Duties of Fellow

- a. attend ward and preoperative rounds, case presentations
- b. attend conferences, seminars and/or workshops if there is an occasion
- c. assist in surgery (subject to local laws and practice)
- d. pay the registration fee and accommodation of the AOCMF Management of Facial Trauma course
- e. write a full report during the visit and send to AOCMF Asia Pacific Office

Health Certificate

On arrival at the host clinic, a certificate proving negative test results for Hepatitis B, Hepatitis C and HIV has to be presented. If this is not presented, the fellow will not be authorized to scrub in at surgery.

Insurance

Neither AOCMF nor host hospitals will cover the fellow's insurance against illness or accidents during working hours nor non-working hours. The fellows are strongly recommended to arrange his/her own insurance as well as mal-practice insurance before leaving his/her country.
